Change in Raffle Reporting Requirements

Please note: A single aggregate report for all raffles held during the reporting year is due on or before October 1st. The Nonprofit Raffle Report (Form CT-NRP-2) must be used by all organizations. Precise record-keeping is required as reports that include estimates of proceeds and expenses will not be accepted for filing. Organizations that host raffles as part of a larger fundraising event must maintain a record of raffle proceeds and expenses **separate** from all other event monies: **only** raffle proceeds and expenses on Form CT-NRP-2.
